take the
next step?*

ABOUT THIS WORKSHOP

This highly popular workshop will equip you with the knowledge and skills required to confidently navigate the application and interview process. You will learn how to present yourself with impact, and how to develop your own pathway to principal class.

After completing this workshop, you will have a clear plan for how to approach the next step in your career, and a fundamental understanding of how all the moving parts fit together.

WHAT YOU WILL LEARN

The Application

- Understanding and addressing the criteria
- Creating the cover letter
- Your CV and referees
- Identifying your point of difference
- What to avoid
- Application structure

The Interview

- Getting shortlisted
- Predicting the questions
- Structuring your responses
- Presenting your responses
- Closing remarks
- Preparation tips
