# Understanding the Student Resource Package (SRP)

Online

An introduction for Principals and Assistant Principals who are new to the SRP.

Sue Peddlesden has 20 years of experience as the principal of a large secondary college with 150+ staff.

In this session, Sue will unpack the SRP and show you how to effectively use financial resources to reach your school's strategic objectives.

## UNDERSTAND

Unpack and understand the SRP components.

Gain practical tools for both Primary and Secondary.

## PLAN & MANAGE

Be across workforce planning and budgeting concepts.

Do hands-on modelling of the SRP, using your school's data.

## LEAD & DEPLOY

Tackle major issues that impact staff planning.

Create a sustainable workforce plan.

**Included:** A spreadsheet (primary and/or secondary version) for modelling scenarios and investigating how they would change the different components of your school's SRP.
